

## KATIE JOHNSON TREADWAY HEAD OF REGULATORY AFFAIRS

### Career Summary

Prior to joining One Energy, Katie was an Assistant Attorney General at the Ohio Attorney General's Office, where she represented the Public Utilities Commission of Ohio and the Ohio Power Siting Board at both the agency level and before the Supreme Court of Ohio. She litigated more than 50 cases and successfully argued before the Supreme Court of Ohio. While attending Vermont Law School, Katie researched and published articles on state, federal, and international energy issues. Katie has written and published reports on energy security with the US Department of Energy and the Center for Naval Analysis. Katie is admitted to the bar in the State of Ohio and the US District Court for the Southern District of Ohio.

### One Energy Role

At One Energy, Katie serves as Head of Regulatory Affairs. In this role, she ensures One Energy remains at the forefront of legal and regulatory issues in the energy arena, as well as ensuring One Energy complies with all required permitting and regulations on a local, state, and federal level. Katie monitors changes to the law at the state and federal level to ensure those changes do not negatively impact One Energy's business model. When they do, Katie directs the One Energy team in reaching out to lawmakers to mitigate or eliminate any negative impacts. Katie works tirelessly with the One Energy team to proactively seek legislative changes to break down barriers and legal complexities, so One Energy can further innovate and revolutionize the electricity industry.
