H. Report Notes and Comments

* Due to expiration of the OEM warranty, turbine availability and downtime reporting will no longer include warrantied availability. Downtime will be categorized appropriately.

* Downtime beginning January 22, 2024 is classified under the 'Other' category due to an ongoing root cause investigation within the fleet; this classification may be subject to reallocation at a later date.

**As a result of previously disclosed circumstances, the project has had no energy production since 01/22/2024.
